The image is a horizontal collage consisting of two photographs. On the left, there is a row of six dark-colored bottles, likely beer or soda, standing upright against a solid black background. Each bottle has a different colored cap: pink, green, yellow, pink, green, and yellow. On the right, there is a close-up photograph of a dark, crumbly dessert, such as a brownie or chocolate cake, with a bite taken out of it, revealing a lighter interior. This dessert is placed on a white, textured surface, possibly a plate, and the background is a solid pink color.

- The image is a collage of three distinct sections. The top right corner shows a close-up of a person's arm and shoulder, with a pink strap visible. The middle section contains text and a yellow bar advertisement. The bottom left section is a close-up photograph of a cold beer glass filled with golden beer and white foam, with condensation droplets on the glass.

The image shows a yellow rectangular area. At the top left, it contains the text "NEW CASE · POSTED: 2022/07/06". To the right of this text is the logo for the band VÄG, which consists of the word "VÄG" in a bold, black, sans-serif font. Above the letter "A", there is a small, stylized graphic element resembling a flame or a lightning bolt. Below the yellow area, there is a dark, textured background that appears to be a photograph of a person's face.
