

# An integrated, full-service creative studio crafting great coffee.

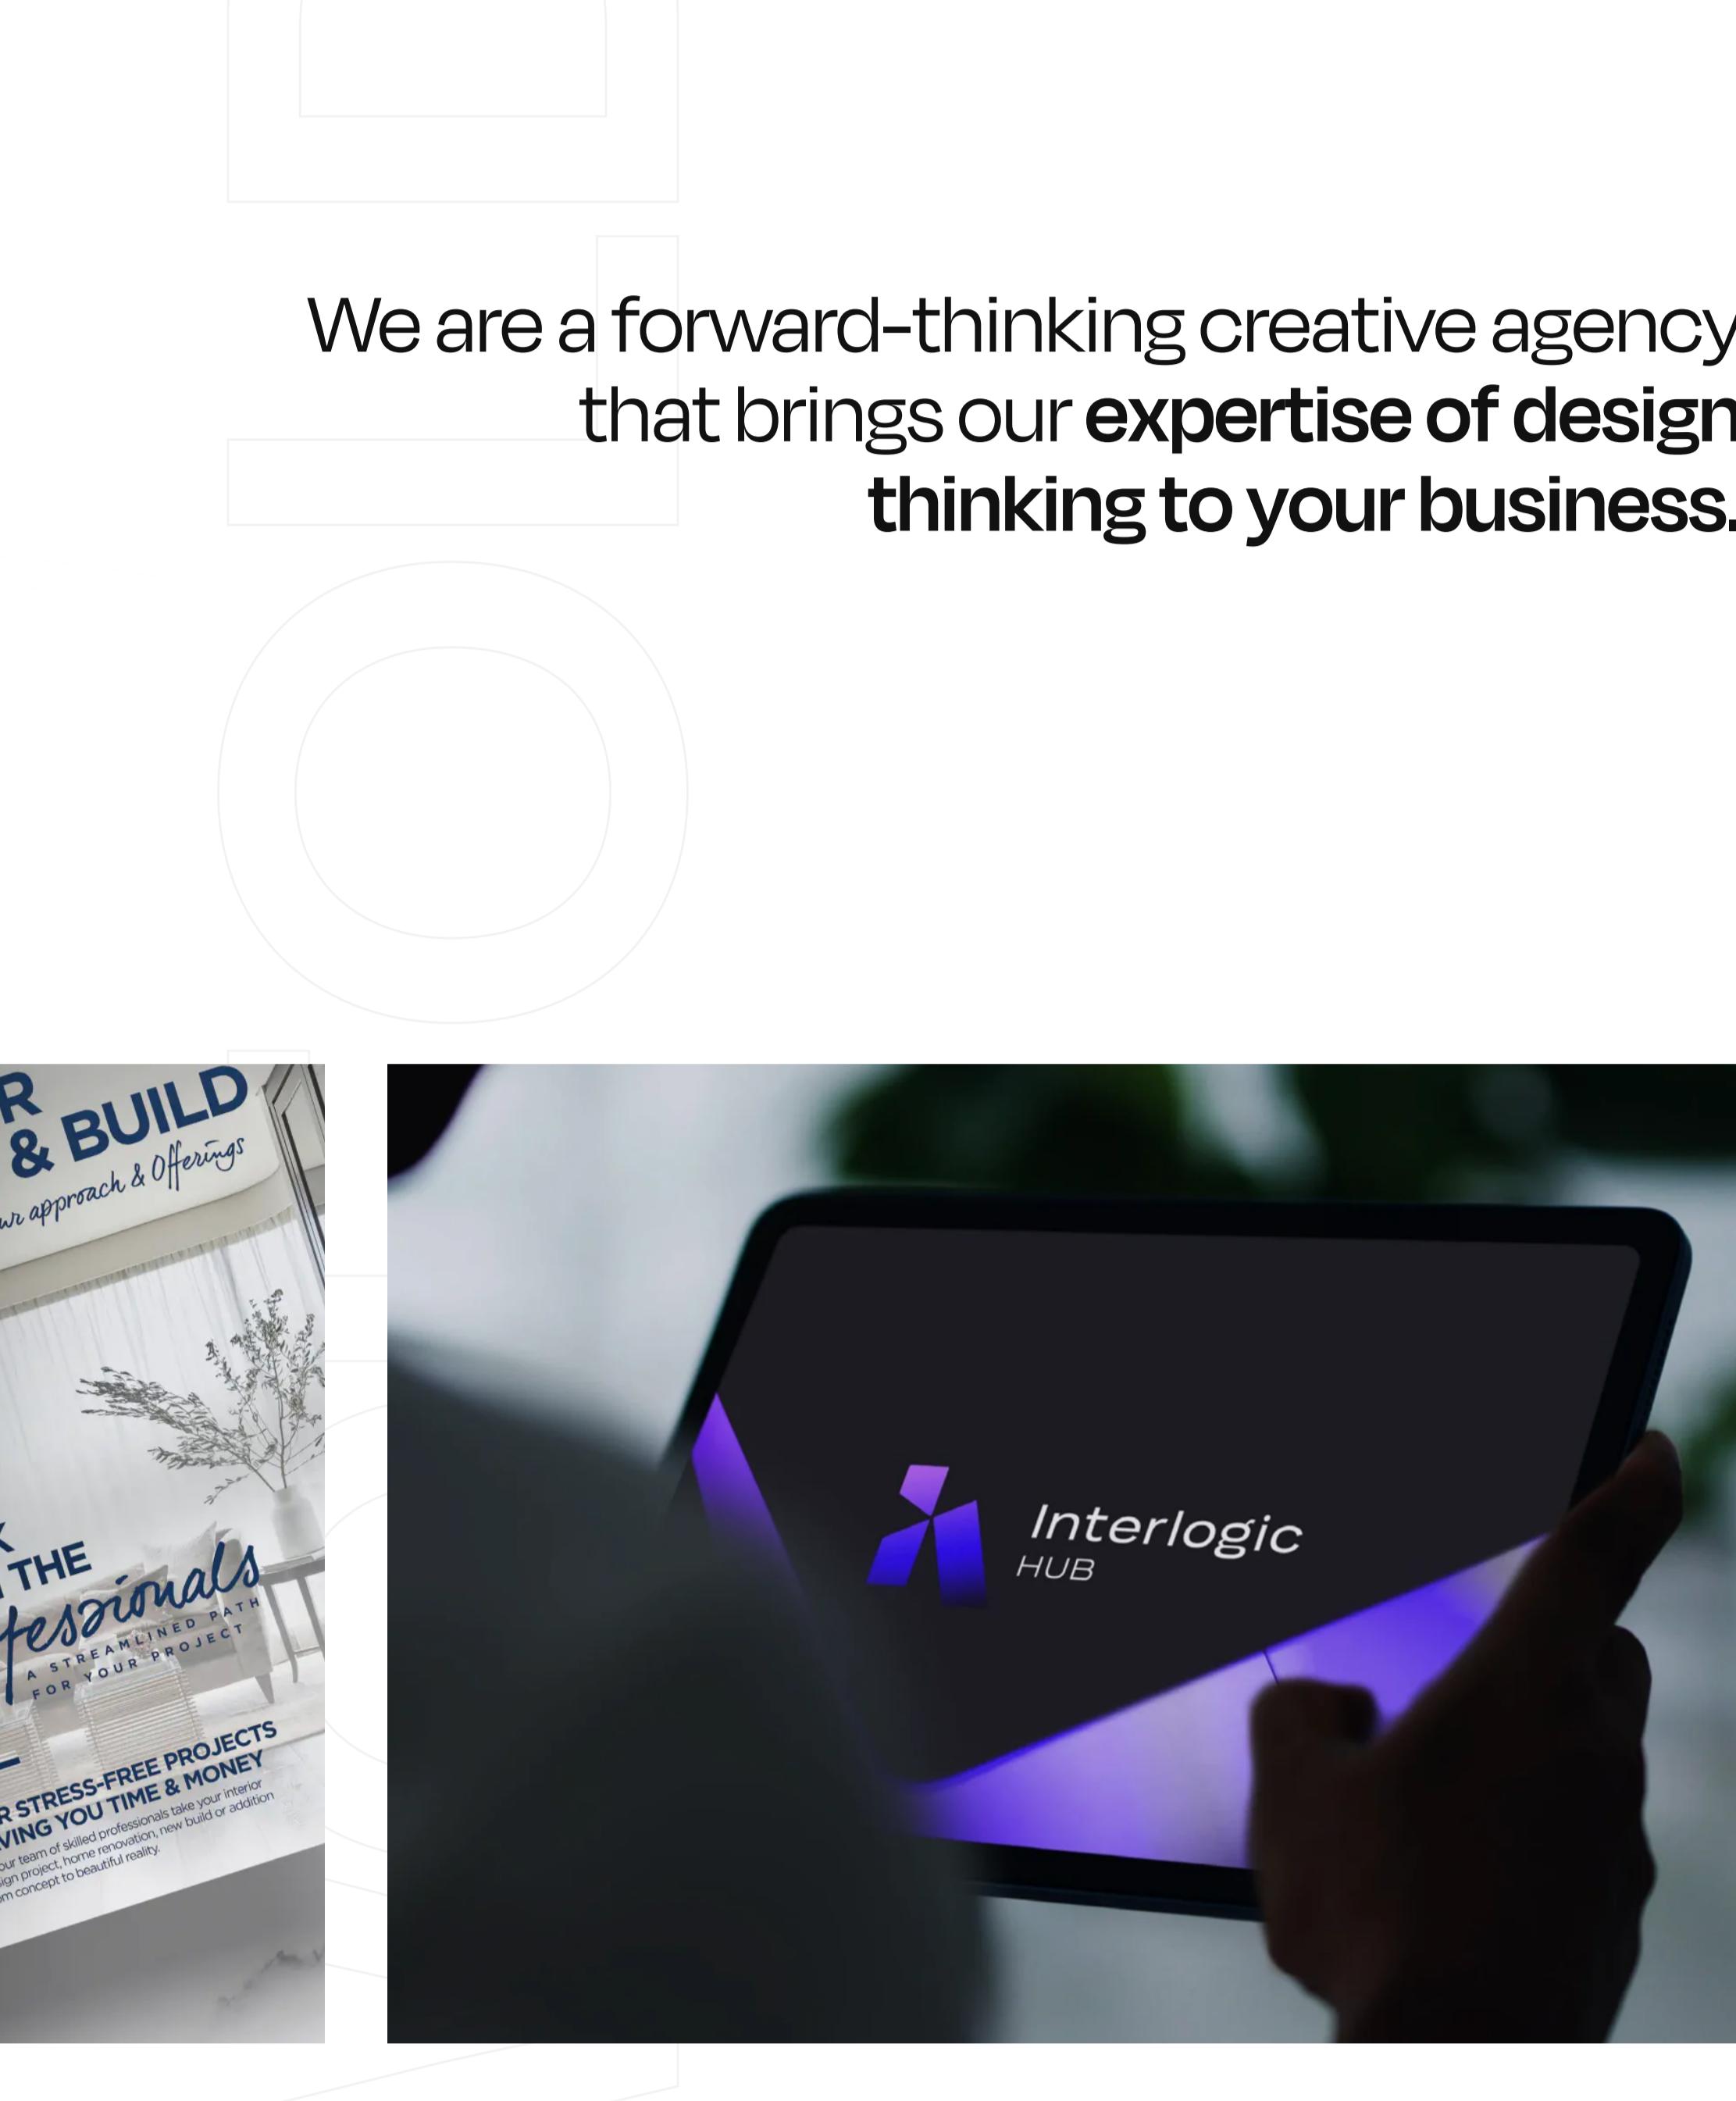

— LET'S TALK

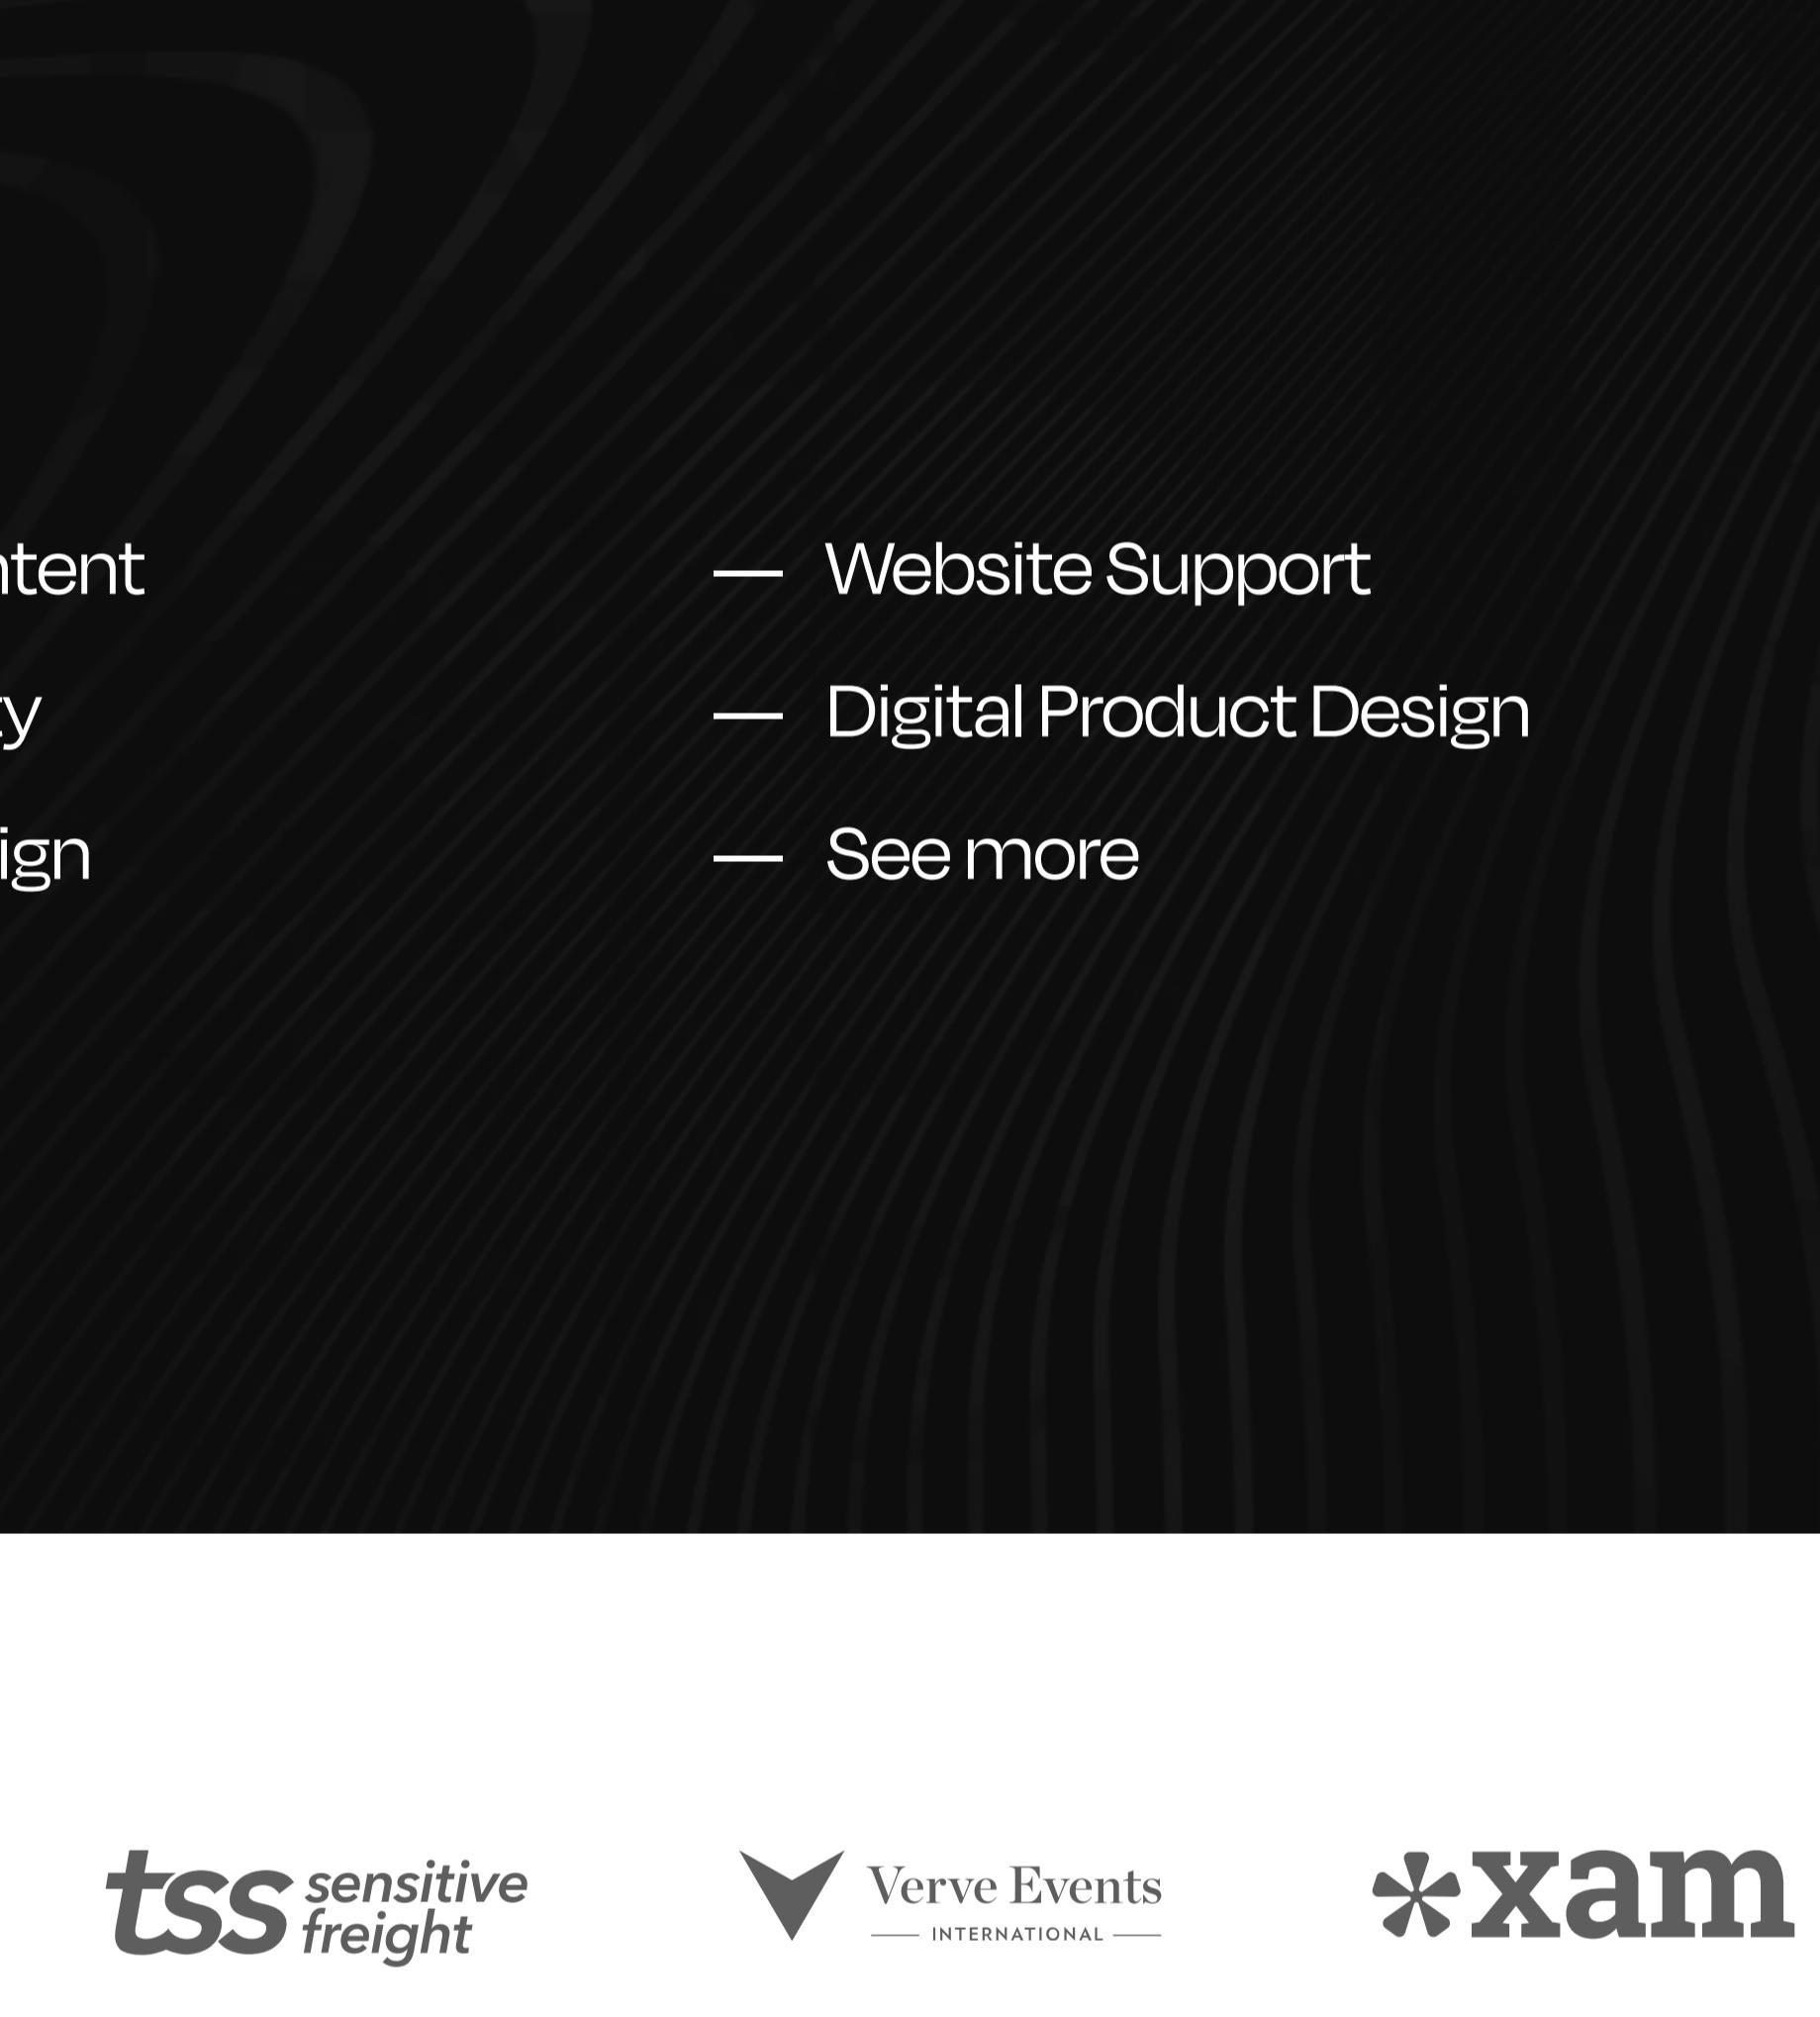

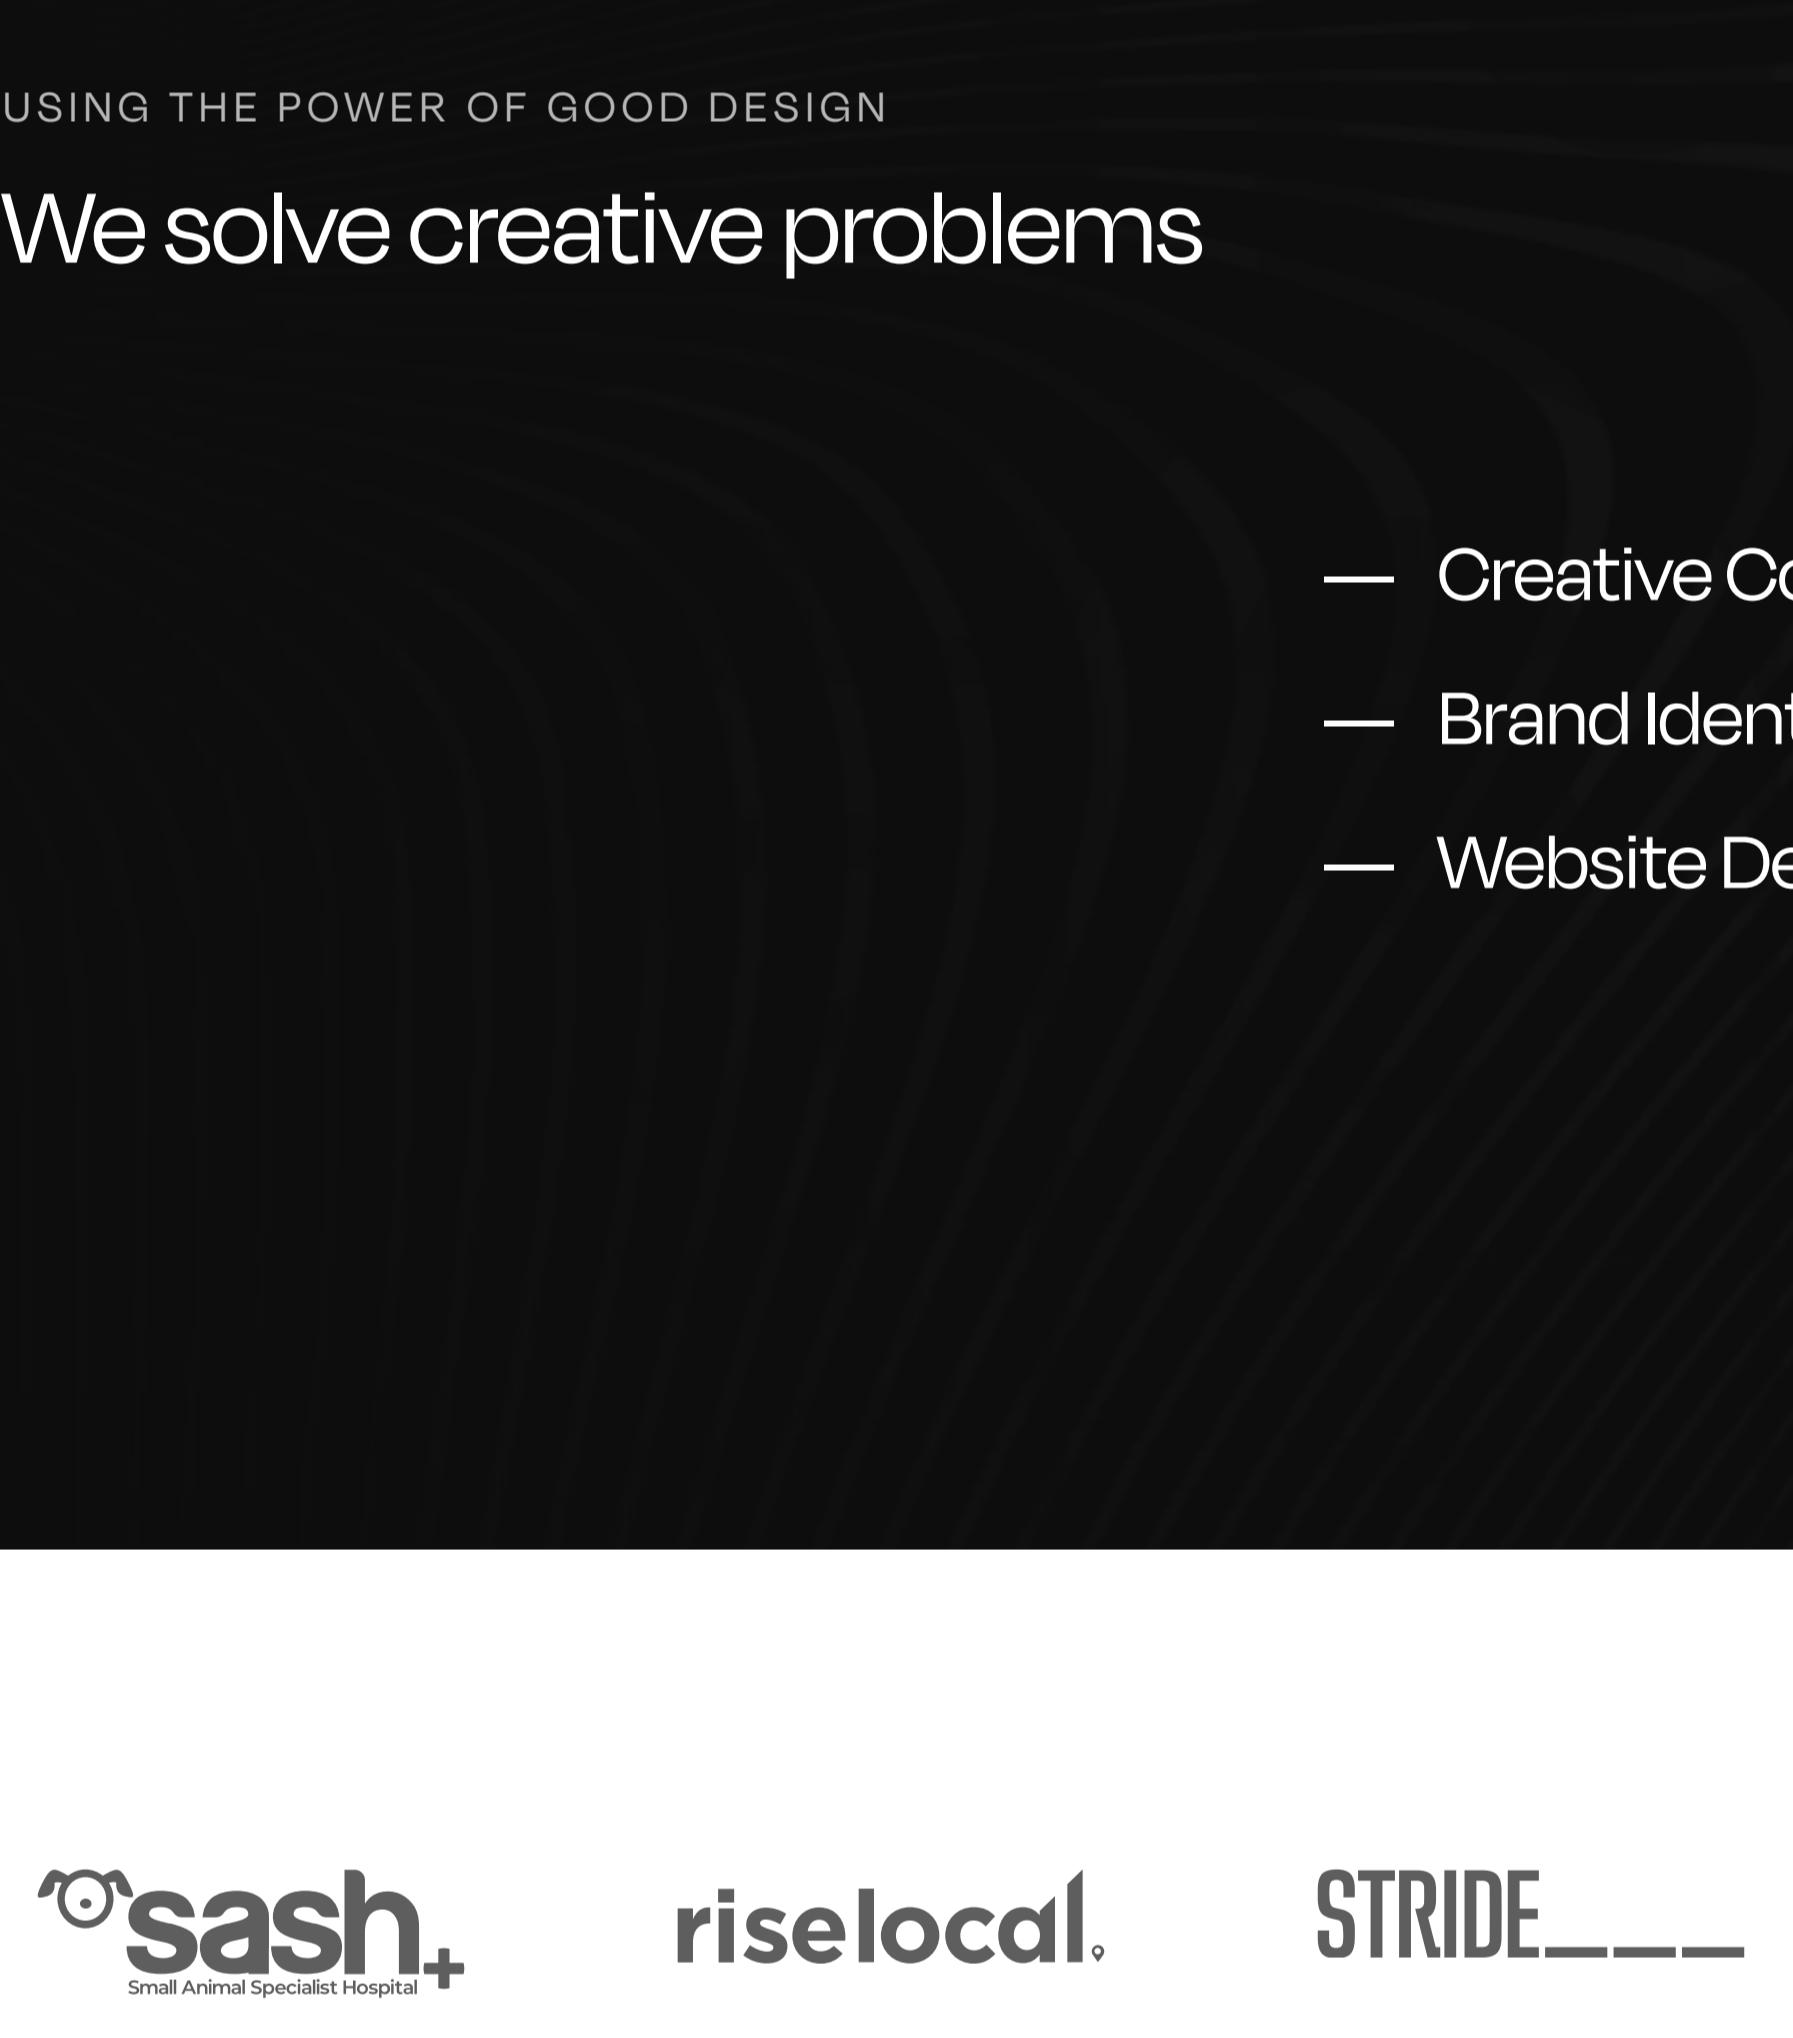

## CASE STUDY

A site that grows and showcases what makes SASH different in the emergency vet space.

— READ MORE

We are a forward-thinking creative agency that brings our **expertise of design thinking to your business.**

## ABOUT US

We want to understand the **essence of your business' personality** to deliver memorable experiences for your brand.

Studio Twofold is your strategic partner, crafting digital experiences and design solutions for small and large businesses alike to help bring your brand to life.

We work with you at every stage to deliver **smart creative that gets results**, connecting you with your audience and helping launch your business to the next level.

## Together we are Twofold

With over 20 years of combined experience, the managing partners Sarahjayne and Jamie are united by a simple design philosophy; that powerful ideas and quality craftsmanship are key to solving creative problems.

Our name is an extension of our design philosophy — The best solutions come from collaborating with our clients to help them **achieve their goals**.

Together, we are twofold.
